

FLIGHT

Clubs and Activities

- Activities will begin Wednesday October 19 with a selection of clubs.
- Only students who are members of the selected clubs will be able to attend meetings during Flight.
- Students will carry a pass to the designated Flight date and show their teachers the pass to attend the club/activity.
- Students will only be able to attend one activity during Flight.
- Once at the activity, students will need to remain the entire duration of Flight.

Clubs

What will be offered?

- Class of 2023
- Class of 2024
- Class of 2025
- Class of 2026

Flight Activity Pass

- Students who participate in a club or activity will receive a Flight Activity Pass.
- Each club/activity will have a sticker to place on the pass during the time they meet. This will act as the pass to the sponsor of the activity during Flight.
- Students can only go to one activity during each Flight block.
- Student will report to the designated Flight block and show pass to activity.
- If student is not doing well in the class, the teacher has the right to hold the student in class for additional supports in place of going to the activity.

				4B Math Team 2337	
Student Name: _____ Grade: _____					

How do I get my Flight Pass?

Student members of the clubs/activities we are starting have already been given to Mrs. Hindsley.

If you are a member of one of the clubs listed above, please stop by to see Mrs. Hindsley during lunch today. She will be in the Main Office Lobby area.

If you were not a member of a club/activity last school year, do not worry. There is time to continue signing up to receive a Flight Pass Card for clubs you are interested in. More info will come before the next phase.

Additional clubs and activities will be added in the next phase of Flight.

A complete list of clubs and activities along with sponsors that NP offers is on the school website.
