### WELCOME TO SCHOOL YEAR 2021-2022!!!

Welcome to a new and exciting year at North Point High School. The College & Career Center has great things to share with all students throughout the school year. For our North Point seniors - this year each of you will make one of the biggest decisions of your life. Deciding what to do following high school graduation is an important one. The Counseling Department and the College & Career Center are here to help you and your parents every step of the way. Seniors ENJOY your last high school year and continue to be a positive influence for those students following you at North Point High School.

All students should visit the College & Career Center and its [webpage](#) often, listen for announcements and read this monthly newsletter for up-to-date information that will relate to you. This newsletter is posted monthly on the North Point website. Discuss this information with your people who will help and support you through this decision making process.

**The Charles County College Fair** hosted by CCPS will be held on Monday, September 13, 2021 from 9am-1pm. The College Fair presents an opportunity for juniors and seniors to talk with representatives from colleges, universities, and trade schools. Seniors, The final deadline for the **Cameron Impact Scholarship** is September 10<sup>th</sup> at noon. This four-year, full-tuition, merit-based undergraduate scholarship awarded annually to 10-15 exceptional high school students who have demonstrated excellence in academics, extracurricular activities, leadership, and community service. The Cameron Impact Scholar is unique among their high-achieving peers in their desire to make an impact on their communities and in the world at large. For more information and to apply <https://www.bryancameroneducationfoundation.org/scholarship>

**The PSAT** will be given on Wednesday, October 13th for sophomore students and Tuesday, October 26th for all freshmen and juniors interested in taking the test. The deadline for students to register is September 10th. The cost for freshmen is \$19.

## **Four-Year “At-a Glance” Planner**

**It is important to familiarize yourself with post-secondary options. While there are numerous paths, NPHS College & Career Center focuses on going directly into the workforce, military, Apprenticeships, Vocational/Trade/Private Career Schools, 2-year colleges/universities and 4-year colleges/universities.**

### **Freshman Year or Before**

- Think about careers and college majors. What interests you?
- Set goals for yourself. Will you be trying for a top tier (most selective) college?
- Participate in activities (sports, clubs, and hobbies) that interest you with an eye toward leadership.
- Keep up your grades and take the most challenging schedule you can (and get A's and B's).
- Plan a challenging sophomore curriculum. Can you take one or more AP classes?
- Do not waste your summer. Do something that will enhance your future college applications.

### **Sophomore Year**

- Take challenging classes and keep your grades up. This is one of the most important years.
- Try the PSAT test early for practice and to see how you do. Use it to project your SAT scores.
- Take a career assessment test. Are you getting some career ideas?
- Keep up the activities. Add some community service and volunteer work, and/or a paid job.
- Start to develop a preliminary list of target schools that you might consider.
- Plan a challenging junior curriculum. Can you take one or more AP classes?
- Begin to develop a resume so you can identify where there might be some weaknesses.
- Plan a productive summer that will shore up some aspect of your future applications.

### **Junior Year**

- Take challenging classes and keep your grades up. This is the other most important year.
- Take the PSAT test and see how you do. Use it to project your SAT scores.
- Develop a plan for your standardized testing and how you will prepare.
- Keep up the activities. Add some community service and volunteer work, or a paid job.
- Think about what type of college feels right to you. What are your requirements?
- Have you thought about what you might major in? This can help you select colleges.
- Plan some college visits, at least to nearby ones. Do additional research on the internet.
- Refine your list of target schools and be sure they span the range of “sure” to “reach”.
- Discuss with your parents whether there will be financial considerations and aid required.
- Organize a folder of any awards, honors, articles, experiences, etc. that you have received.
- Refine your resume and think about bolstering weak areas. Keep your activities going.
- What SAT's, ACTs, and AP tests are appropriate for this year and when?
- Plan a productive summer that will shore up some aspect of your future applications.

### **Senior Year**

- Take challenging classes and keep your grades up. You cannot afford to get Senioritis!
- Finalize your list of colleges and be sure you are in their database.
- Demonstrate interest. Attend open houses, request information, and ask for an interview.
- Finish any remaining standardized testing. This is your last chance to improve your scores.
- Ask teachers for letters of recommendations as needed. Not all schools take them.
- Finalize your resume. It will help you with your applications.
- Download copies of your colleges' applications. Practice filling them out.
- Have your transcript sent to those schools that want it.
- Work on your college essays and try some drafts. Have others critique them.
- Get your college applications in as early as you can. Consider early decision/action etc.
- Preferably set up on-campus interviews, but interview somehow if they are offered at all.
- Prepare for interviews by looking at common questions and doing mock interviews with others.
- Write thank you notes to anyone who has helped you. (those who wrote letters, interviewers etc.)
- Have mid-year reports sent to any colleges that require them. Make sure all materials are in.
- Fill out financial aid forms such as FAFSA, PROFILE etc. as needed.
- Respond to all colleges that admitted you, either accepting or declining their offers.
- Pay attention to housing, meal plan and other important information and deadlines.
- Have your transcript sent to the school you will be attending.
- If waitlisted at your first choice, accept somewhere else but write them an enthusiastic letter.
- If rejected at your first choice, appeal only if you have something compelling & new to send them.

## **September Grade Level Monthly Reminders**

### **Freshman Planning Guide (freshman year DOES count!)**

- Begin and continue a thorough self-examination of your abilities and interests.
- Study hard and get good grades. Set your academic goals now.
- Think about careers Visit the Career Center.
- Try a sport, club or other activity. (the more unique the better – but something you enjoy)
- Begin your resume. Your history reviewed by college reps and scholarship committees starts now.
- Read! Get to know your Counselor and College & Career Advisor in the Career Center.
- Set up your account with the “Coalition for Access, Affordability and Success” [www.mycoalition.org](http://www.mycoalition.org)

### **Sophomore Planning Guide**

- Prepare for the PSAT. (Good practice for next year when you will be eligible for the National Merit Scholarship competition)
- Be sure your course selections are preparing you to reach college admissions standards.
- Start or continue your “brag sheet” or resume.
- *Maintain good grades; READ! (Sophomore and Junior grades almost always count the most)*
- Set up your account with the “Coalition for Access, Affordability and Success” [www.mycoalition.org](http://www.mycoalition.org)

### **Junior Planning Guide**

- Register for PSAT.
- Continue refining your list of target schools.
- Research schools on the internet or via books and visits. Use CareerCruising.com for research.
- Attend college fairs in your area. Charles County Public Schools’ College Fair is September 13<sup>th</sup>.
- Check the Career Center for college reps visiting your high school.
- Research scholarship opportunities using the internet, books, and Career Center resources.
- Update your resume with any new information.
- Plan next two years’ extra-curricular and community service activities.
- Think about when to take the SAT or ACT tests – develop your tentative “test plan.”
- Set up your account with the “Coalition for Access, Affordability and Success” [www.mycoalition.org](http://www.mycoalition.org)

### **Senior Planning Guide**

- Get a file “bin” and set up a file for each target school.
- Attend all high school college-related meetings.
- Attend college fairs. The Charles County Public Schools College Fair is September 13<sup>th</sup>.
- Meet with counselor and ask questions.
- Identify all the application deadlines for your schools and fill out checklist.
- NPHS CEEB code 211061 and have it handy along with your SS#.
- Finalize your resume.
- Research scholarship opportunities from prospective colleges, some require nominations from your counselor.
- Prep for final SAT/ACT testing and register.
- Ask teachers for letters of recommendation if your colleges want them.
- Request interviews at privates whenever they are available.
- Print practice apps for all your schools even if you will be doing them online.
- Visit the Career Center and begin researching local scholarship opportunities that are available.
- Set up your account with the “Coalition for Access, Affordability and Success” [www.mycoalition.org](http://www.mycoalition.org)

## Keys to College Fair Success

College fairs are in full force this time of year. Many students have never participated in a college fair and are uncertain of what to ask college representatives. Students are wondering if their parents should attend the college fair with them. The individual situations will vary, but one thing all students have in common is that they want to know what to ask at the college fair.

Some general tips to consider: Dress professionally. Do your research ahead of time and look at the school websites of those that interest you. Write down your questions before the fair so that you remember what you want to ask. It gets a little intimidating if you attend a college fair unprepared. A good way to start is by introducing yourself, your field of interest and your high school/grade level. That great opener makes a good impression. Also, consider the following questions:

1. What type of student organizations and clubs are there for students?
2. When are the enrollment deadlines?
3. Do you require a certain SAT/ACT score?
4. Do you have a list of majors available?
5. Will you be reviewing admission applications, if so what do you look for?
6. Can the enrollment fees be waived?
7. What does your school consider for admissions? (i.e. activities, grades, sat scores, experience, interests, etc.)
8. Can you tell me about the safety history of the college and possible the community it is in?
9. What percentage of your students go on to graduate school?
10. What is the placement rate for those seeking employment?
11. What accommodations do you offer for students with physical disabilities or learning differences?
12. What are the retention rates of incoming students at your school?
13. Is tutoring available for all students, if so, is it free?
14. What is the biggest student complaint you hear currently?
15. What is your typical class size look like?
16. Can I have a business card with your direct phone number? (in case you have further questions)
17. What is the parking situation like?
18. Do you offer student housing, if so, for how long?
19. What kind of financial aid does your school offer?
20. What is the cost of going to school there annually? (i.e. tuition, room and board, etc.)
21. Does your school allow double majors or a change of major?
22. Can I work on campus?
23. Does your school offer scholarships or grants for incoming students? How can I be considered?
24. What percentage of students return for their second year?

The goal is to find the perfect fit for you. Self-reflection (and talking to those who know you best such as family and friends) will help you figure out what schools are the best fit.

## **Visit a College like an Expert**

With the pandemic, it has been difficult to do on-campus tours. However, it is the best way to figure out if a school truly fits you. Take advantage if a school is offering on-campus tours.

It is hard to figure out if a college is a good fit without spending time on the campus and talking to students who have been there a year or more. Even if the college is local or a community college, visit the campus. If your family cannot travel to a college, consider that many colleges now offer virtual tours. To help you prepare for a visit to a college campus, there are some key things to keep in mind.

### **Plan Ahead:**

A campus visit goes quickly, so you and your parents should have a plan for the visit. Here are some things to consider:

- **Visit websites for information about tours and open houses**, as well as campus maps, and parking information.
- **Ask about visiting a class or two.** Ask which ones are open to visitors, when they are open, and how to go about getting into the class for a visit.
- **Look at the college website and catalog.** Think about what you want to learn on campus and try to figure out where you can find that information while on campus.
- **Fit in additional activities that will give you a better sense of campus life**, such as eating in the cafeteria and reading a copy of the student newspaper. Watch how students interact with one another and think about if this were an environment you would feel comfortable.
- **Schedule enough time** to see and do all you want to do on campus and in the area. It may be easier to visit a college during the summer or winter break, but try to go when school is in session. It will give you a better feel for campus life.

### **What to Bring:**

- Comfortable shoes – campuses can be spread out, and you may be walking for a long time.
- Layered clothing – some buildings may be well air-conditioned and some may not.
- Pen, paper, and a list of questions to ask.
- Anything the college may have asked you to bring.
- Money for lunch, parking, and other incidental expenses.

### **Questions To Ask During a Campus Visit**

A college guide will tell you some, but not all, of the things you need to know. Always go prepared to ask the admissions office staff and students on campus questions. Here are a few questions to get you started:

#### **For Students**

- Are you happy here? What do you like best? What would you change if you could?
- What kind of extracurricular activities are available to students?
- Did you have trouble getting the classes you wanted?
- Is the dorm room we are seeing typical for a first-year dorm room? Do you know how big a typical first-year dorm room is?

#### **For the Admissions Office**

- What percentage of first-year students return for their second year of college?
- What is the graduation rate for students here? How much does that rate vary if students are... low-income? African American? Latino?
- What is the average amount of time it takes students to graduate?
- What is the average size of general education courses here?
- For how many years are students guaranteed campus housing?

**There is a College Fit Worksheet available on the NPHS College & Career Center webpage. Be sure to use it when you visit or speak with colleges!!**

Application includes 4 Maryland schools – Bowie State University, Coppin State University, Morgan State University, and University of Maryland Eastern Shore.

## **College Entrance & Placement Testing**

The pandemic caused many college and universities to be Test Optional last school year. We are still seeing some college be test optional for admissions this school year. Verify with individual schools if they are going test optional this application cycle. Also, keep in mind, some merit scholarships are based on SAT/ACT scores. You will need to clarify that with individual schools as well.

### **What is the PSAT?**

PSAT Information - The PSAT will be given on Wednesday, October 13th for sophomore students and Tuesday, October 26th for all freshmen and juniors interested in taking the test. The deadline for students to register is September 10th. The cost for freshmen is \$19.

The PSAT is comprised of one 60-minute reading section, one 70-minute math section, and one 35-minute writing and language section. It is NOT used to determine college admissions. It is intended to help students prepare for the SAT AND is used as a National Merit Scholarship Qualifier. Section scores (one math and one reading/writing) are between 160 and 760 for each of the two section scores. The sum of the test scores is between 320 and 1520.

National Merit Scholarship - If you score well on the PSAT and meet additional academic requirements, you may qualify for the National Merit Scholarship Program (a nationally distributed merit-based scholarship. ONLY scores from the junior year are used to determine qualification for the National Merit Program. For more information visit: <https://www.nationalmerit.org/>

**What is the SAT and ACT?** The SAT and ACT are standardized college admission tests. The test measures the same thing in the same way for everyone who takes it. The results of the tests help colleges determine how well prepared you are for college-level work. Most four-year colleges require that students submit SAT or ACT scores.

**When should you take the SAT/ACT?** Most students take the SAT or ACT for the first time in the spring of junior year. Students who choose to take the SAT or ACT a second time typically do so in late summer or fall of senior year.

For more information on SAT: [www.collegeboard.org](http://www.collegeboard.org)

For more information on ACT: [www.act.org](http://www.act.org)

**Be sure to check out Mrs. Jones sway presentation on College Entrance Testing on the NPHS College & Career Center webpage.**

**What are placement exams?** Many colleges will also have a placement exam that you will need to schedule with your college after you receive your acceptance letter.

**Where do I go to find help with test preparation?** The best thing you can do is take time to prepare and get familiar with the test format before you take the test and PRACTICE! There are many resources out there to help you prepare for the SAT, ACT, ASVAB or college placement testing. Some resources require a fee, while many others are completely FREE! Students are also welcome to visit the College & Career Center to find additional resources! The websites below have FREE practice questions, study guides, articles, flashcards, quizzes, formulas, exam strategies, punctuation rules, grammar rules and more! ## Financial Aid information

### **Who should apply and when?**

The Free Application for Federal Student Aid (FAFSA) opens October 1<sup>st</sup> for current seniors. The FAFSA is the foundation for most financial aid (even some merit aid). It is important that seniors fill it out timely as different schools have different deadlines for the completion of the FAFSA. Seniors should be looking for scholarships now through the end of their time in college. I recommend that seniors check in with their College and Career Advisor at least once a week. Also, check the scholarship section of this newsletter monthly.

### **There are four main types of Financial Assistance:**

**Scholarships** – Usually merit based. For example, student may receive a scholarship based on academic performance, athletic ability, or artistic talent. Some scholarships are also based on financial need.

Scholarships may come from the colleges, State or Federal Government, private parties, corporations, clubs and organizations.

**Grants** – Are usually awarded based on financial need, but may also have other criteria.

Grants may come from the State or Federal Government, private parties, corporations, clubs and organizations.

**Loans** – Must be repaid.

*Subsidized student loans* – do not require the borrowers to pay interest while in school (the Federal government pays the interest while the student is in school.)

*Unsubsidized student loans* – requires the borrowers to pay interest while in school or have it capitalized.

Students must complete the Free Application for Federal Student Aid (FAFSA) in order to apply for student loans.

**Work-Study** – A federal program that provides funds to students through jobs arranged by the college. Students work and earn money however, these earnings do not affect the FAFSA results.

Work-study is applied for on the FAFSA.

**Get ready for the FAFSA October 1<sup>st</sup> opening date by creating an FSA ID.**

1. In order to complete the FAFSA, both the student and parent/guardian will need to create an FSA ID.
2. Please note: Each FSA ID user must have a unique e-mail address.
3. Create an FSA ID at [Create Account | Federal Student Aid](#)

# NCAA Eligibility Center Information

## **What is the NCAA Eligibility Center?**

The NCAA Eligibility Center certifies the academic and amateur credentials of all college-bound student-athletes who wish to compete in NCAA Division I or II athletics. To assist with this process, the NCAA Eligibility Center staff is eager to foster a cooperative environment of education and partnership with high schools, high school coaches and college-bound student-athletes. Ultimately, the individual student-athlete is responsible for achieving and protecting his or her eligibility status.

## **How to find answers to your questions**

The answers to most questions can be found in the student-athlete guide or by:

- Accessing the NCAA Eligibility Center's resource page on its website at [eligibilitycenter.org](http://eligibilitycenter.org)
- Contacting the NCAA Eligibility Center at (toll free): 877/262-1492 Fax: 317/968-5100

Keep track of your courses and the units that apply towards eligibility. Use the [www.CoreCourseGPA.com](http://www.CoreCourseGPA.com) program paid for by Charles County Public Schools to monitor your progress towards eligibility. Speak to your high school Coach, Athletic Director, or Counselor for further information.

**Athletically Related Financial Aid:** Athletic scholarships are awarded by NCAA Divisions I and II colleges and universities. Division III colleges and universities do not award financial aid based on athletic ability, but you may be eligible to receive academic scholarships or need-based financial aid.

### **How to Activate Your FREE Membership**

**Step 1: Go to [www.CoreCourseGPA.com](http://www.CoreCourseGPA.com)**

**Step 2: In the "New Member Account Creation" box, enter:**

**School ID: 211061**

**School Code: 726090004**

## **Steps to Achieving Your Eligibility:**

### **Freshmen and Sophomores**

- Start planning now!
- Work hard to get the best grades possible.
- Take classes that match your high school's List of NCAA Courses. The NCAA Eligibility Center will use only approved core courses to certify your initial eligibility.
- At the beginning of your sophomore year, complete your online registration at [www.eligibilitycenter.org](http://www.eligibilitycenter.org).
- If you fall behind, do not take short cuts. Classes you take must be four-year college preparatory and must meet NCAA requirements.

### **Juniors**

- Register to take the ACT, SAT or both and use the NCAA Eligibility Center code "9999" as a score recipient. Doing this sends your official score directly to the NCAA Eligibility Center.
- Continue to take college preparatory courses. Double check to make sure the courses you have taken match your school's List of NCAA Courses.
- Ask your high school counselor to send an official transcript to the NCAA Eligibility Center after completing your junior year. If you have attended more than one high school, the NCAA Eligibility Center will need official transcripts from *all* high schools attended. **(The NCAA Eligibility Center does NOT accept faxed or emailed transcripts/test scores.)**
- Before registering for classes for your senior year, check with your high school counselor to determine the number of core courses that you need to complete your senior year.

### **Seniors**

- Take the ACT and/or SAT again, if necessary. The NCAA Eligibility Center will use the best scores from each section of the ACT or SAT to determine your best cumulative score
- Continue to take college-preparatory courses.
- Check the courses you have taken to match your school's List of NCAA Courses.
- Review your amateurism responses and request final amateurism certification on or after April 1 (for fall enrollees) or October 1 (for spring enrollees).
- Continue to work hard to get the best grades possible.
- Graduate on time (in eight academic semesters).
- After graduation, ask your high school counselor to send your final transcript to the NCAA Eligibility Center with proof of graduation.

### **ASVAB**

**What is the ASVAB?** The *Armed Services Vocational Aptitude Battery (ASVAB)* is a multi-aptitude test battery. It consists of eight short individual tests covering General Science, Arithmetic Reasoning, Word Knowledge, Paragraph Comprehension, Mathematics Knowledge, Electronics information, Auto and Shop Information, and Mechanical Comprehension. Not only do you receive scores on each of these individual tests, you also receive career exploration scores. These scores are the results of individual tests combined to yield three career exploration scores: Verbal Skills, Math Skills, and Science and Technical Skills.

**What is the relationship between the ASVAB and the Military?** ASVAB participants are not under any obligation to the Military as a result of taking the ASVAB. However, a junior or senior can use their scores from the ASVAB to enlist in the Military after graduation. The scores are good for two years. Many students take the ASVAB for career exploration and have no interest in military occupations. Visit the website at [www.asvabprogram.com](http://www.asvabprogram.com).
